

QUARTET OF NATIONS SONG

[Leads start]

Here is a song from the Quartet of Nations

[Tenors come in]

Singing as one voice throughout the land.

[Baritones come in]

Here is a song from the Quartet of Nations

[Basses come in]

Look to the future, walk hand in hand.

From the green fields of England to the valleys of Wales,

There is love in our hearts and the love never fails.

From the wild Scottish mountains and the Netherlands smile,

We're a Quartet of Nations in Barbershop style.

[Now repeat: all sing funky!]

TAG:

So for the sake of old lang syne

Join hands across the sea (the sea)

We sing to all Sweet Adelines

In perfect harmony (sweet harmony)!
